

Astreya Vendor Selection.

Find the right vendor for your specific needs

Astreya's vendor selection solution will guide you with in-depth knowledge on both your business requirements and a deep understanding of vendor strengths. We expertly manage the process to procure the right solution, at the right time, from the right vendor in order to drive efficiencies and avoid costly mistakes. We do not follow a one size fits all vendor selection process and work to meet your unique needs.

Our solution offers important services:

Requirements definition/
development

RFP creation

Proposed vendor list and
vendor identification

Proposal evaluation and
selection

Contract negotiation
